Berliner Erklärung zur Offenen Zugänglichkeit im Wissen in den Wissenschaften und Geisteswissenschaften

Stellenbosch University, a leading research university on the African continent, appreciates the necessity to share its research output with other African countries and the rest of the world. In the context of sharing its research output, the University would like to append its signature to the growing list of institutions that are signatories to the Declaration.

As a signatory,
Stellenbosch University

Implementing a policy that encourages their researchers to promote a copy of all their published articles in an open access repository; encouraging researchers to publish their research articles in open access journals where a suitable journal exists, and provide the support to enable that to happen.

Signed
Prof. Rossen R. Rossouw, Rector and Vice-Chancellor
Stellenbosch University
