Subject: Re: FW: SUNScholar: Electronic thesis/dissertation submission received

Dear Ina,

Yes, Mr Hassan has my approval to graduate.
(Though I think the final word may have to come from Head of Dept?)

Best wishes,

Jeff.

Dear Helene/Prof Sanders

Can you please urgently approve/accept this submission? I have uploaded on behalf of Ahmed Hassan.

Kind regards

Ina

Ina Smith

Subject: SUNScholar: Electronic thesis/dissertation submission received

Dear user,

You submitted: Topology Control in Wireless Ad hoc Networks

To collection: [SANDERS, JW PROF] - 16196600 MR AMAO HASSAN

Your submission has been received by the SUNScholar system.

IF YOU WISH TO READ ON:

Thank you for submitting the final work of your thesis/dissertation into the SUNScholar archival system for research output by members of the University of Stellenbosch research community.

Your supervisor has been notified by e-mail of your submission, and will review the electronic copy/version of your thesis/dissertation uploaded to SUNScholar as soon as possible, whereupon you will receive an e-mail notification to that effect.

Once your supervisor has approved the electronic copy of your thesis/dissertation in SUNScholar, your final work will be processed by the Library Service in terms of:

- a) type of work classification
- b) accessibility status assigned to the work by your supervisor

Until such time, the electronic version of your final work on the SUNScholar ETD upload space, is secured by password control (campus sign-on), and is not accessible to fellow students, academia or members of the public.

Sincerely,
University of Stellenbosch Library and Information Service.
