Destination 2010 The action plan to implement QSE 2010 (Education Queensland, 2002)

Extract three (p. 4)

What is our destination?

Vision. The vision for Education Queensland is for all Queensland students to become active citizens in a learning society- the Smart State.

Purpose. The purpose of state education is to meet the needs of different students pursuing high levels of educational attainment.

This will be achieved by:

- Creating a safe, tolerant, and disciplined environment for students,
- preparing young people to be active and reflective Australian citizens,
- developing the skills and desire for lifelong learning in students,
- supporting students to become active in community, economic and political life and
- building students confidence in their relationships with other cultures at home and abroad.
